

Deliverables Guide

What You'll Receive

Every project is different, which is why ADMI tailor's deliverables to meet your specific goals. Before your project begins, we'll review exactly what you'll receive and your expected delivery timeline.

Common Deliverables

High-Resolution Photography

Professional aerial images ideal for documentation, inspections, marketing, and project updates.

Cinematic Video

High-quality aerial video designed for project overviews, promotional content, and storytelling.

Mapping & Project Data

Depending on your project, deliverables may include orthomosaics, point clouds, 3D models, and other mapping products.

Digital Delivery

Your completed files will be delivered electronically in the agreed-upon format, making them easy to download, share, and archive.

Need Something Different?

Every project has unique requirements. If you need a customized deliverable or file format, let us know during the planning process, and we'll work with you to develop the right solution.
